

UK Fluids Network Thesis Prize – nomination template

Rev. 28/9/2023

Please provide the following details for the thesis you wish to nominate – you are ‘nominator’ and the other examiner is ‘seconded’ in the following.

Please note that, as far as is possible, the theses will be judged blind. The judges will read them without knowing the name, institution or gender of the nominee. Nominators/seconders are therefore asked to use 'the candidate', 'their institution' and the impersonal ‘they’ when referring to the nominee in their citation.
