

From: Junfeng Yang, University of Leeds, 17/7/19
Subject: 2019 UK-Germany Hydrogen Energy Workshop

Date: Wednesday 24th July 2019, 09:30-16:00

Venue: Lecture Theatre C (1.05), School of Chemical and Process Engineering, University of Leeds

The aim of this workshop is to bring together researchers from the UK and Germany who have the potential to be world-leaders in the development of hydrogen society for reducing the Greenhouse Gases by 2050 target, and build a network of multi-disciplinary researchers, energy industry and government policy makers for developing new research programs that address these challenges.

No registration fee. Tea/coffee and lunch sandwiches will be provided. Please email J.Yang@leeds.ac.uk to confirm your attendance.
